# Working Process

Here is a simple but **Powerful** Rule.

## OUR SERVICES

### Website Design and Development

It is absolutely essential that you have a website which can attract audience - that is intuitive, informative and efficient. It is also necessary that you have an affordable web designing and web development package to meet these needs. Regardless of whether you are building an e-commerce site, an online magazine, a portal or a simple content site, at Factum Technology we provide you with a wide range of solutions.

"We build a website that  
will build your business"

## OUR SERVICES

### Graphic Design

Factum Technology provides graphic design services. We use the latest graphic design software and skilled graphic designers to create impressive Logo Design, Corporate Identity / Business Card, Brochure Design, Letterhead Design, Advertising Design etc. As a Factum Technology graphic design company, we know how important a good design is to all businesses. A professional design, whether it's for a website, a logo, a brochure, business stationery or a flyer, can do wonders for you in creating impressions of your company.

"We create Logo, Branding, Brochures & print to create unforgettable brands."

## OUR SERVICES

### SOCIAL MEDIA OPTIMIZATION (SMO)

FACTUM will help you grasp the important role that social media plays in your business from the perspective of both marketing and communications. We'll help you form a social media marketing strategy that will allow your company to make the dynamic opportunity.

"Have a Facebook Page?  
Do you tweet? Are you LinkedIn?  
Target the Right Audience &  
Demographic for your Business.  
Start Connecting Today!."

## OUR SERVICES
